Dear Emergency Management Family and Friends,

Please consider joining us this coming year for one of the largest gatherings of Native American emergency managers and homeland security personnel in the Country! This year we celebrate the **3rd Annual National Tribal Emergency Management Conference**. In addition, we are partnering with many new Tribal agencies and organizations to raise greater awareness about our Tribal Emergency Preparedness programs across the country and to increase even more information sharing across the Nation. Highlights for this year's event include:

- ▲ One of the largest gatherings of Tribal Emergency Managers, Tribal Public Health Personnel, Recovery, Hazard Mitigation, and Homeland Security Professionals in the nation.
- ▲ Come visit with many of the nation's 567 Federally Recognized American Indian Tribes and Alaska Native Villages. Holding the Conference in the Central Valley of California will better facilitate the level of participation from our Tribes.
- ▲ Tribal, Federal, State, Local and Regional partners are well represented.
- ▲ Participants and presenters include tribal leadership and decision-makers from across the country.
- ▲ Tribes that currently provide protection to some of our Nation's most critical infrastructure, to include the International Border, the Grand Coulee Dam, US Naval Bases, Major Oil Refineries and International Shipping Lanes will also be in attendance.
- ▲ NTEMC offers the most cost effective conference in the nation by combining pre-conference training opportunities, general session presentations and a table top exercise to meet many of your grants requirements and an opportunity to network with other professionals across all disciplines for the minimal cost of \$99 dollars/person for Tribal Nation representatives, \$299/person for all other attendees, and special pricing for all of our vendor family that would like to showcase their products and valuable services to Indian Country. Corporate Sponsorship Opportunity Form is attached.

Please join us in working with our tribal nations to build and equip a more prepared and resilient future. Unparalleled exposure and goodwill can be gained from exhibiting at this conference. Register soon, as our exhibitor's have already started to book their space for this year's conference. We are still looking for our Platinum Sponsor!
