Suquamish Clearwater Casino Resort  
Suquamish, WA

Dear Emergency Management Partners and Friends,

Please consider joining us this coming year for one of the largest gatherings of Native American emergency managers and homeland security personnel in the Country! Planning is underway for this year's biggest event and we are proud to announce that the following organizations will be working in collaboration to bring you the best conference yet:

American Indian Health Commission for Washington State  
National Tribal Emergency Management Council  
Northwest Portland Area Indian Health Board  
Northwest Tribal Emergency Management Council  
Oregon Health Authority Public Health Division  
Region X DHHS – Administration for Children and Families  
Washington State Army National Guard (10<sup>th</sup> Homeland Response Force)  
Washington State Department of Social and Health Services  
Washington State Emergency Management Division

We invite you to join us this year for our **2017 Regional Joint Tribal Emergency Preparedness Conference**. This year, we have added many new Tribal organizations and PH/EM Partners to our planning committee to bring forth the most dynamic and exciting agenda to date. As we all know, Emergency Planning requires everyone at the table; everyone to include our government leaders, first responders, public health partners, emergency managers, our veterans and military partners, communications, services for children and our most vulnerable populations, casino security departments and our corporate partners and vendors! This year, we invite you to join Tribal, National, state, regional, and local partners at this year's big event.

In the past, we have focused on themes such as "Building Bridges" and "Bridging the Gap." This year, we will demonstrate throughout our presentations how we cross those Bridges Together. Hence, our theme this year will be "**Emergency Preparedness: Stronger Together.**" The agenda will focus on ways to improve and enhance inter-agency and cross-jurisdictional collaboration across all disciplines with all partners. There is no registration fee for Individual Attendees. If you are one of our valued corporate sponsors, we have included special pricing and registration materials for you below. Please use the following respective conference registration forms (Individual Participant or Corporate Sponsorship) to register and don't forget to call the hotel today. Hotel information is provided below. We look forward to seeing everyone again this year.

Most sincerely,

Del Ostenberg

Chairman  
Northwest Tribal Emergency Management Council
